

LIST OF FLITCH WAY COMMON BIRDS

The list of common bird species using the Flitch Way and its immediate environs to regularly breed, roost, feed or shelter and were recorded by Andrew Goodey and members of the Friends of the Flitch Way. Species are listed in common name alphabetical order along with their Conservation Concern status. Species that have or do occur regularly that do not fit the above criteria e.g. various gull species, are not included. Irregular species are also not included.

Red and Amber list		Green list		
	Latin Name	Common Name	Latin Name	Common Name
